NOTICE OF PRIVACY PRACTICES

(Please detach and keep this form for your own records.)

****This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.****

USES AND DISCLOSURES

Treatment: Your health information may be used by staff members or disclosed to other healthcare professional for the purpose of evaluating your health, diagnosing medical conditions, and providing treatment. For example, results of tests and procedures will be available in your medical record to all health professionals who may provide treatment, or who may be consulted by staff members.

Payment: Your health information may be used to seek payment from your health plan, from other sources of coverage such as an automobile insurer or from credit card companies that you may use to pay for services. For example, your health plan may request and receive information on dates of service, the service provided and the condition being treated.

Health Care Operation: Your health information may be used as necessary to support the day-to-day activities and management of Carolina Neuroservices – The Head Injury Center. For example, information on the service you received may be used to support budgeting and financial reporting, and activities to evaluate and promote quality.

Law Enforcement: Your health information may be disclosed to law enforcement agencies, without your permission, to support government audits and inspections, to facilitate law enforcement investigations, and to comply with government mandated reporting.

Public Health Reporting: Your health information may be disclosed to public health agencies as required by law. For example, we are required to report certain communicable diseases to the state's public health department.

Other uses and disclosures require your authorization: Disclosure of your health information or its use for any purpose other than those listed above requires your specific written authorization. If you change your mind after authorizing a use or disclosure of your information you may submit a written revocation of the authorization. However, your decision to revoke the authorization will not affect or undo any use of disclosure of information that occurred before you notified us of your decision.

ADDITIONAL USES OF INFORMATION

Appointment Reminders: Your health information will be used by our staff to send you appointment reminders.

Information About Treatments: Your health information may be used to send information on the treatment and management of your medical condition that you may find to be of interest. We may also send you information describing other health related goods and services that we believe may interest you.
